ERROR RESOLUTION NOTICE FOR CONSUMER ACCOUNTS

Telephone or write us as soon as you can, if you think your statement is wrong or if you need more information about a transfer on the statement. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. If you have arranged to have direct deposits made by Electronic Funds Transfer to your account at least once every 60 days from the same person or company, you can call us during normal business hours to find out whether or not the deposit is made. Normally this will apply to members on direct deposit of Social Security or pension checks or allocations between different members accounts, where the payer has not provided positive notice to you that the transfer was initiated.
